WELCOME & CONFERENCE OVERVIEW

We would like to invite you to participate in the **35th Annual Educational Conference** of the **American Society of Anesthesia Technologists and Technicians (ASATT)**, in Oklahoma City, Oklahoma, September 25-28, 2024. Our attendees, which consist of anesthesia technologists and technicians, travel from all over the world to learn, innovate, network, and expand their patient care knowledge and techniques. Anesthesia Technologists and Technicians are vital members of the Anesthesia Care Team.

ASATT is the premier advanced practice allied health society representing anesthesia technology professionals, and it's our goal to provide a professional entity for the field of anesthesia technology that will positively impact healthcare and improve quality standards of patient care. We look forward to having you join us in Oklahoma City.

Sincerely yours,

Bryan Fulton, M.Ed., Cer.A.T.T.
ASATT President

HANDS-ON SKILLS WORKSHOP

Get ready for an exciting addition to this year's conference lineup - the *NEW* Hands-On Skills Workshop! Taking place on **Saturday, September 28, 2024**, from **1:00 pm to 3:00 pm** (2 hours), this workshop promises an immersive educational experience where participants will dive into the latest technologies and sharpen their clinical skills in an interactive environment. Picture this: tables arranged around the room, each offering a unique opportunity for hands-on learning. Small groups will rotate between stations, engaging in dynamic demonstrations and discussions led by clinically experienced proctors.

YOU'RE INVITED

But here's the cherry on top - attendance is included in your registration, and attendees who complete the workshop will be entered into a drawing to **win a FREE iPad!** Don't miss out on this incredible opportunity to enhance your skills, network with peers and industry leaders, and walk away with the chance to score a fantastic prize.
