2021 ASATT REGIONAL MEETINGS SPONSORSHIP OPPORTUNITIES

While separation and social distancing is recommended to flatten the COVID-19 curve, ASATT has redirected its plans for our regional meetings until further notice with the transition of our traditional face-to-face events to a virtual platform. With this transition, we are excited to announce we have opened up registration so that members can now attend any of the regional meetings and that they are no longer confined to those that happen only in their region.

ASATT is offering a comprehensive approach to sponsorship opportunities to help continue purposeful, quality communication all year long. These events will offer the educational opportunities ASATT prides itself on, while providing health and safety during these times.
